# ANNOUNCEMENTS

"BRITCHES" - annual dinner honoring the people who wear the pants in our community. Slackers need not attend.

NEW LECTURE SERIES, "Weed for a Yeed" - group meets at 11pm Tuesday nights in French Park. First installment, "Bong on fun Unfong," will be next week. Sponsored by the Joint Distribution Committee.

EXCAVATION OF the new Shaarei Torah - CZE tunnel is expected to begin in the next few weeks. We thank the Jewish Foundation for allowing us to repurpose the funds originally allocated for the CST-CZE ski lift.

CHDS ALSO WISHES to thank the Jewish Foundation for supporting the construction of its new campus in Mason. "Life Begins at CHDS!"

CANCELLED: In light of the ongoing winter weather, all classes at CHDS and Atara are being called off until further notice.

PUT YOUR HOUSE - or business - on the Mizrach wall! Every three months, starting from Pesach, one of the backlit glass etchings on either side of the Aron Kodesh will be available for rent.

## ANNOUNCEMENTS, cont'd

**NEW SERIES:** "The Kollel Runs on Carbs," every Sunday morning after the 8:15 minyan. Breakfast at 9:00, followed at 10 by a ten-minute learning seder. Light snacks will then be served, followed by a five-minute shiur by a Kollel staffer. The program wraps up with a superlative, five-course brunch. TUMS optional.

**KOLLEL EMTZA HALYLA** - Show those greedy sleepyheads at Kollel Dirshu what it's all about! Group meets at 4:15 EVERY morning in the CZE Library. Stipend? What stipend? We've got bragging rights, and the rings under our eyes to prove it!

**CHANGE OF ADDRESS:** In an effort to create a more "East Coast" feel to our village, Amberley Village will now be called "Boro Park." Now, when you visit your family, you can tell people you are from Boro Park! Discussions are in place with EZ PASS over putting a toll booth on the little bridge on Elbrook.

**FAIR AND JOUST** - to be more fair to families of all economic classes, CZE will hold jousting competitions for aliyos. Waivers will need to be signed, as jousting poles will be real. Rabbi Travis asks all jousters to please consider putting CHDS in your halachic wills.

**HETER MECHIRA:** Due to popular request, the Rav will now offer a Heter Mechira for our Mispalelim. This is no simple Heter Mechira; this shtar sells your makom kavu'a in Shul to an Eino Yehudi, removing all kedusha from that spot, allowing you to speak/text/surf at your leisure during davening.

**DEER HUNTING** - recently, several of our mispallelim have been sighted in army fatigues, running through the creek and wooded areas of our village, hunting deer. The Village Police have asked the Shul to please discourage our congregants from taking part in such practices.

## HAIKU

The Rav is speaking  
I don't hear him; I'm sleeping  
Behind my shtender

Makom kavu'a  
I want one, as long as I  
Needn't pay for it

Five below, again.  
But the scientists insist  
It's global warming

Mishlo'ach manos  
Only four weeks till Pesach  
And it's all chometz

Get the projector  
What would Purim be without  
Raffie's video?
